A Scientific Intuition . . .

We invite you all to this special learning event to expertise yourself as a successful practitioner and teacher. We know Homoeopathy is centered around body and mind, the vital expressions are key to our prescription. Even though we hold several types of prescription, the science of Homoeopathy needs deep understanding of the patient. We are cornered to understand the vitality derangement and its expressions as sensations in an artistic way and to heal the "whole". Our organization bring this scientific intuitions under the title "Art and Science of Homoeopathy" with worlds renowned homoeopaths Dr. Anita S Salunke and Dr.Dinesh Chauhan. We invite all practitioners and faculties to participate these innovations to learn and teach others.

Dr.Anita S.Salunke

Dr. Anita S. Salunke, a well known international renowned speaker, recognized as a world-class teacher of homeopathy, both in India and at various international forums. Her association with renowned homeopaths Dr. Rajan Sankaran and Dr. Praful Vijayakar founder of the Predictive School of Homeopathy received an understanding of Miasm and its practical applications. Dr. Anita S Salunke's powerful intuitive and healing skills have carved a special niche for her as one of India's most sought-after homeopaths.

Dr. Dinesh Chauhan a renowned homoeopath, popular all over the globe. The specialty of Dr. Chauhan is individual approach for every individual in "health" as well in "disease". He insists that our aim is not only to treat the physical illness alone but also to cure the whole- "Body – Mind" complex, cure "the Whole" so that patient can come to his center and can think, feel, perceive and sense from his healthy vital-center. He bring the vital sensation in case taking with his unique style of journey of Case perceiving, case interviewing and case witnessing process
